

You may call Bayer Diabetes at: 1-800-401-8440 and request a **FREE** Bayer blood glucose meter of your choice (Breeze or Contour – see below). You will be prompted to give an “order code”. You can use your contract number (the numbers following the “EDU” on your ID card) as the “order code”, and give your full name. When ordered in this way, there is **NO** copay for the monitor.

You will need a new prescription from your doctor for test strips for the Bayer meter you choose.
